dence:

Ques.—Dr. Drew, I see by the report of the Dairy and Food Commission of this State that in making analysis of the various baking powders of this country you report as a result of your work that the Hoyal Baking Powder contains and gives off in baking a greater per cent. of carbonic acid gas (leavening gas) than any other baking powder miade; is that true?

Ans.—Yes, sir, that is a lact.

Ques.—Doctor, you also found from experiment that the Royal Baking Powder will keep longer and retain its qualities better than any other powder made, did you not?

Miss Chamberlin.

Violin solo, "Somnish Dances," ... Sarasate Muscounts Recital, Selected...Mr. Elliott Saturday evening, Nov. 14, there will be presented Newton Beers' lyric spectacular production of "Lost in London." It has achieved success the past three seasons solely through giving a meritorious performance that all classes of theater-goers can appreciate.

The play is a simple story of woman's weakness and a man's devotion, told in good English, with an easily defined plot.

orter than any other poster man, the four not?

Ans.—Yes, sir, I think it does.

Ques.—Now, the two most desirable pualities in baking powder are the amount of carbonic acid gas it contains and gives off and the length of time it will keep, are Ans.—Yes, sir.

Ques.—Then the Royal Baking Powder,

ssessing these qualities, is the best pow-r made, is it not? Ans.—Well, that would be the natural conclusion.

Ques.—Well, that is the fact, is it not?

Aus.—Yes, I think it is I consider it one of the best baking powders made.

Retail Yards 119 N, Water St. Frank Fletcher of Hennessey, O. T., was in the city yesterday and reported business in that thriving little city very good. He says every branch of business is represented there and still business is not overdone There are a good many ranches north and west of Hennessey which helps the trade of the city considerably, making it one of the best commercial points in western Oklahoma.

A locat music dealer yesterday told an

Flavoring Eagle man that within three days he sold as many pianes to unmarried young men ences could be made, and every one can draw their own conclusions. As the young men do not play upon the instruments, what do they intend to do with
